FLORIDA MEMORIAL COLLEGE

MIAMI, FLORIDA

Vol. 15

"To be or not to be" seems to be the question foremost in the minds of the 'oldtimers.' Whether it was better to be on the old campus in St. Augustine with its beautiful, old, moss-hung oaks and with its social and cultural drawbacks; or whether it is better to be here in Miami where we have a new modern campus with better facilities and all the advantages a large, metropolitan city can offer.

Now is the time to stop, to think and to reflect to see what you can do here on our new campus to make Florida Memorial College "The Place." A place of which to be proud.

"Man seldom makes full and complete use of his mind and so he is really a true warrior." — Confucius
So while we are here, let us make the most of our stay here and let us make it a time to remember.

DR. ROYAL W. PURYEAR at his desk in St. Augustine last year

Dr. Puryear chatting with Sister Marie Grace, O.P., Treasurer of Barry College (center) and Sister M. Dorothy, O.P., President of Barry College (left).

Dr. Puryear conferring with Dr. M. K. Curry, President of Bishop College in Dallas, Texas.

WE DEDICATE THE ARCH 1969 TO DR. ROYAL W. PURYEAR

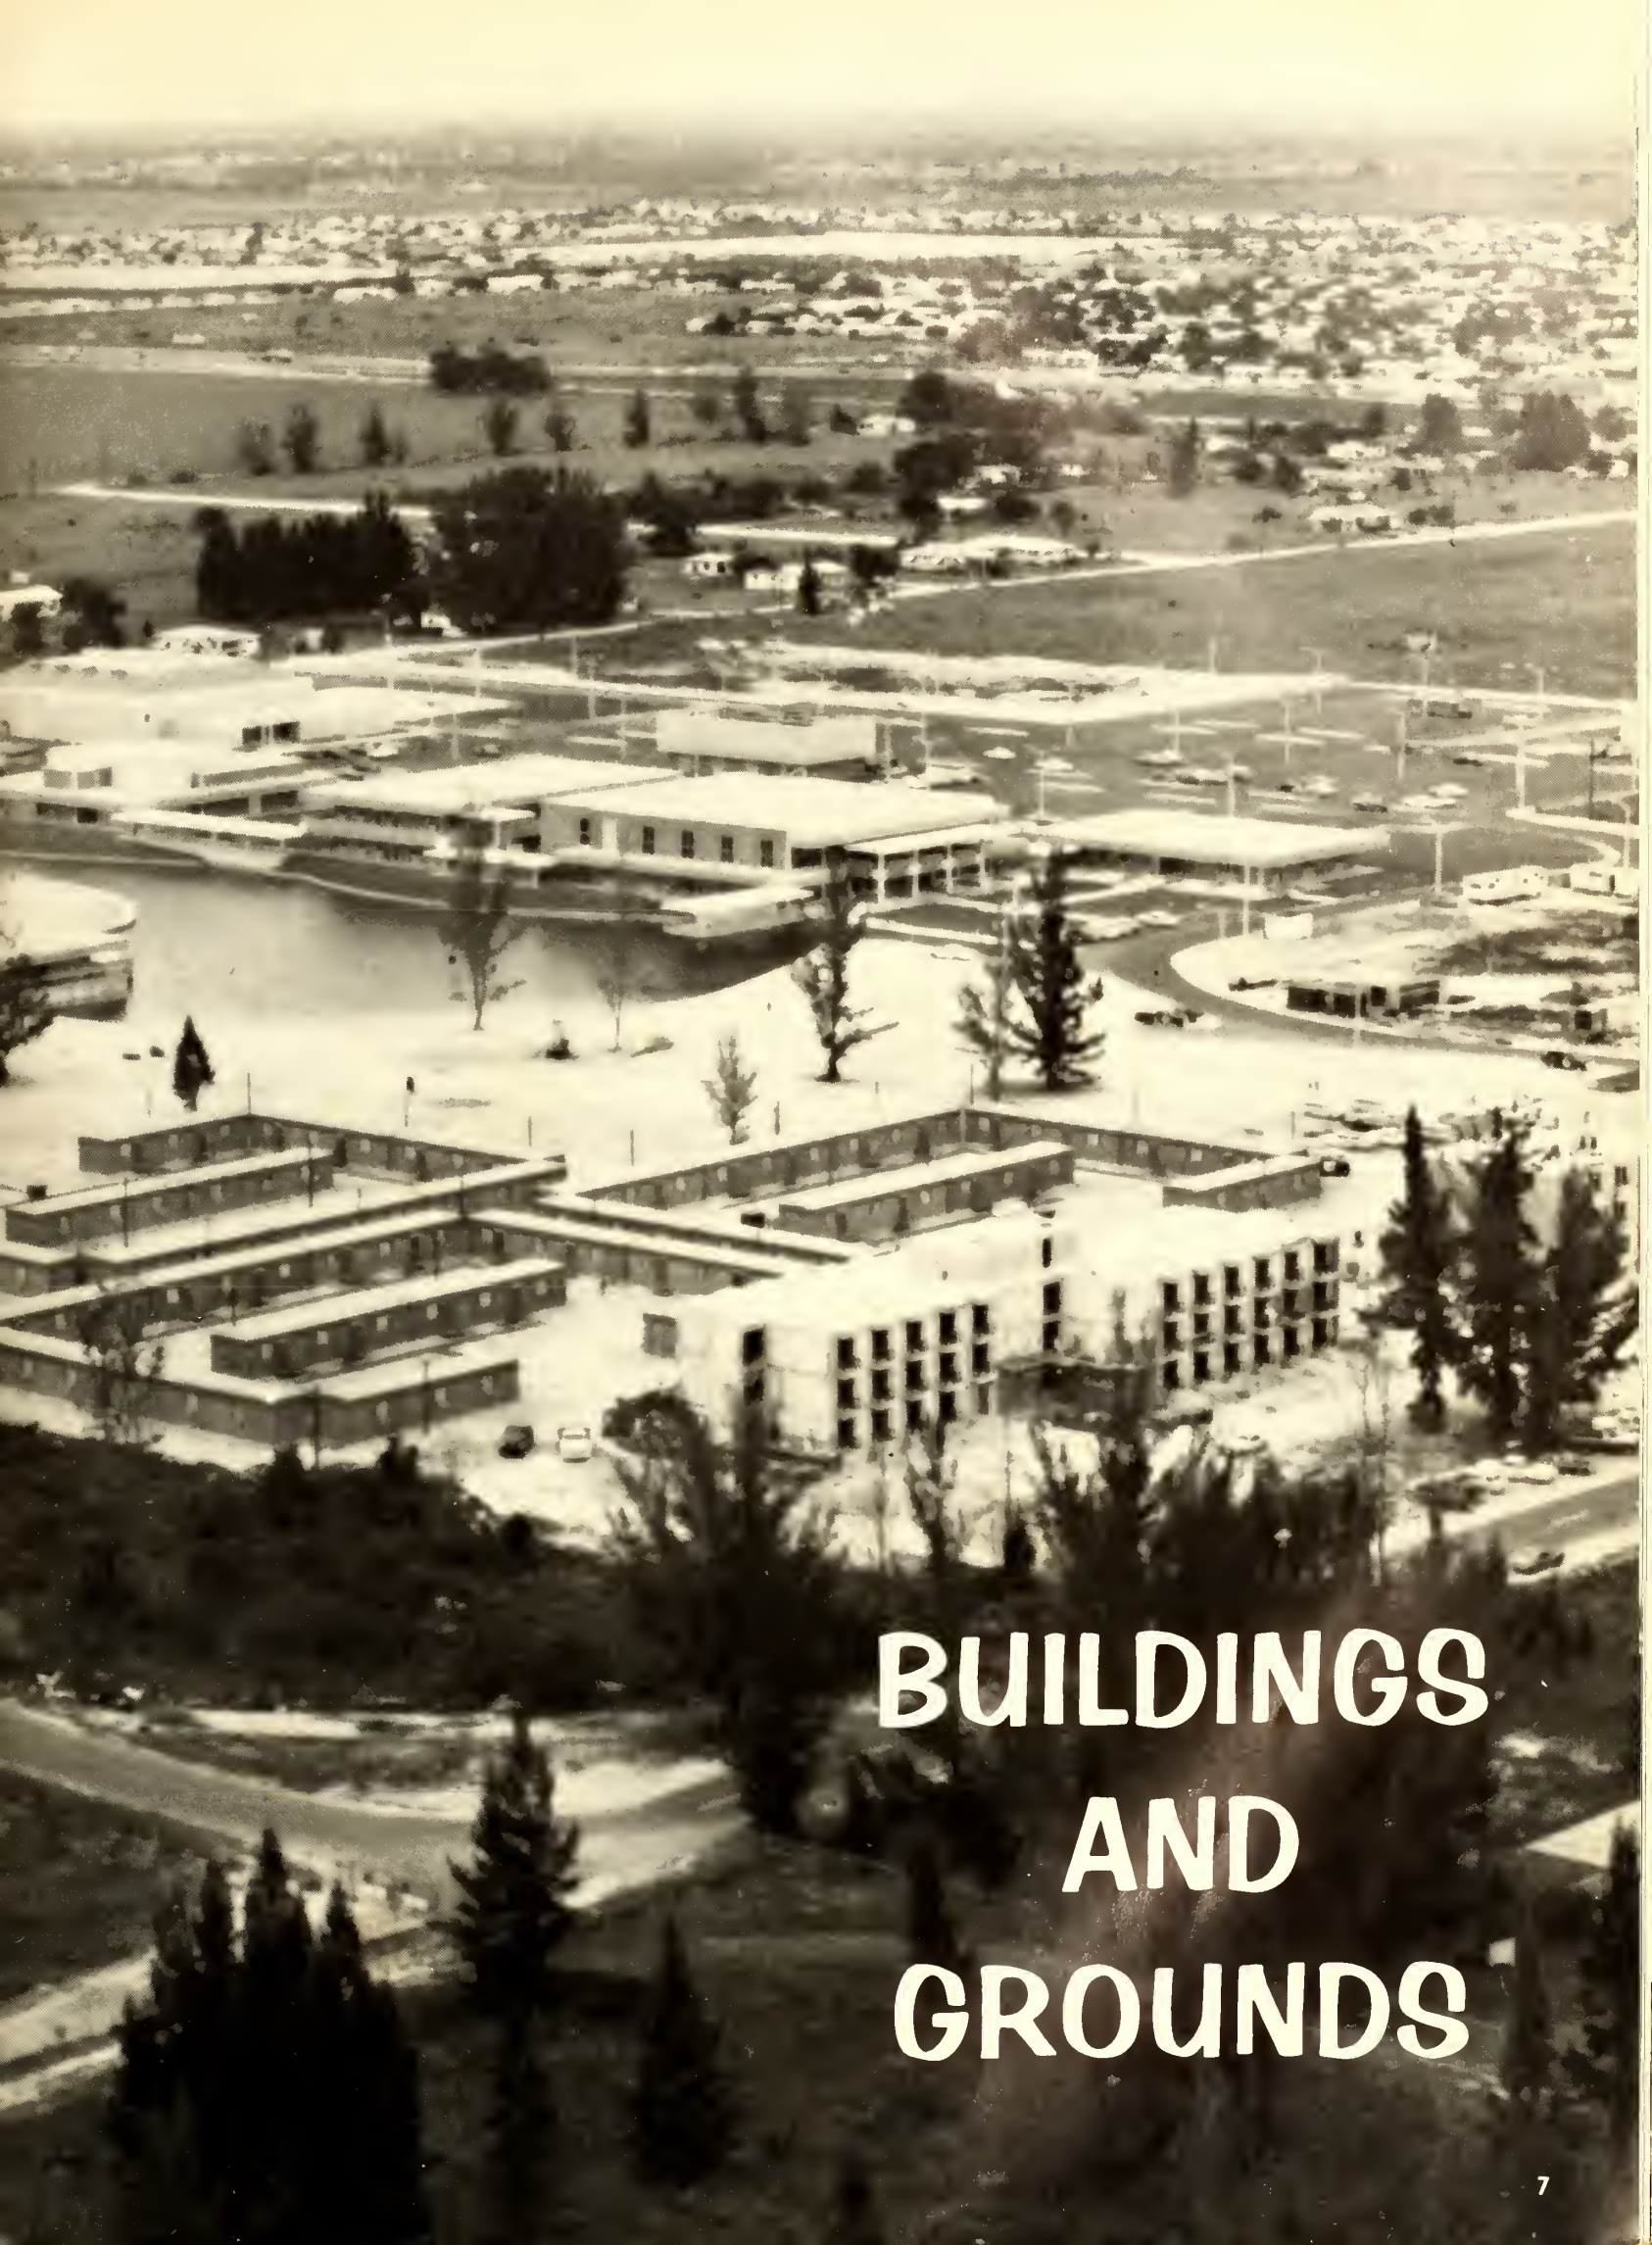

To Dr. Puryear, our college president, for his many years of devoted service to the college and to the community. Dr. Puryear has been president of this institution since 1951 and as such, he has seen and helped it to get where it is today. We sincerely hope that he will continue to guide us along into what appears to be a very bright and promising future.

Dr. Puryear speaking at the Dedication of our new campus.

Mrs. Puryear, C. N. Puryear, the President's youngest brother and Dr. Puryear.

THE DUKES

Lambda Iota Tau was established in 1953 at Michigan State University. There are 55 chapters in this country, Canada, and Japan, all of them devoted to "the recognition and promotion of excellence in the study of literature." The Letters *Lambda Iota Tau* stand for the motto of the society, *Logos Idean Telei*, "The Word Gives Form to the Idea." The insignia consists of two crossed quills over a shield, on which is a gold bend sinister with the Greek letters, L.I.T.; in the upper portion of the shield a gold torch of learning; in the lower portion a gold chain of fraternal unity; under the shield the motto. The official colors are purple and gold. Alpha Omega Chapter was installed on October 29, 1964, in St. Augustine with Dr. Barnhart as the Moderator. Sister Robert Louise, O.P., of Barry College and the Moderator of Psi Chapter, delivered the installation address.
